REMARKS

Claims 1-12 are pending in the application. Claims 1-3, 5, 7-10, and 12 stand rejected.

The Applicant wishes to thank the Examiner for indicating that any one of claims 4, 6, and 11 would be patentable if rewritten as independent claim, incorporating all features of the base and intervening claim in the Final Office Action dated January 19, 2007.

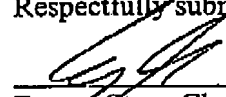

In attempt to advance the prosecution of this matter, applicant has amended claim 1, 6, and 11 on April 9, 2007 as suggested by the examiner. However, as indicated in the current advisory action, claims 6 and 11 were incorrectly amended to which the examiner has objected. As such, applicant herein submits amendment to claim 6 and 11, which now correctly depends on the allowable claim 1. No new matter has been entered.

Accordingly, applicant respectfully requests withdrawal of the rejection and issue this application in due course.

Please deduct one month extension fee of \$ 120.00 our Deposit Account No. 502-470.

Should the Examiner deem that there are any issues which may be best resolved by telephone, please contact Applicant's undersigned representative at the number listed below.

Respectfully submitted,
